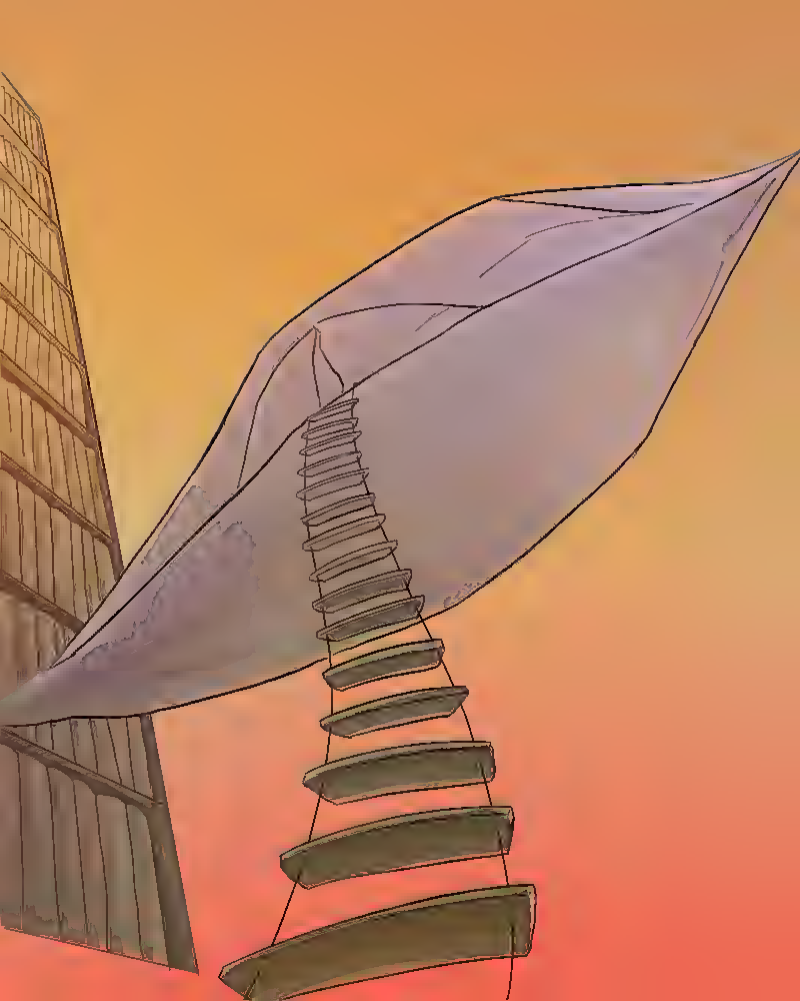
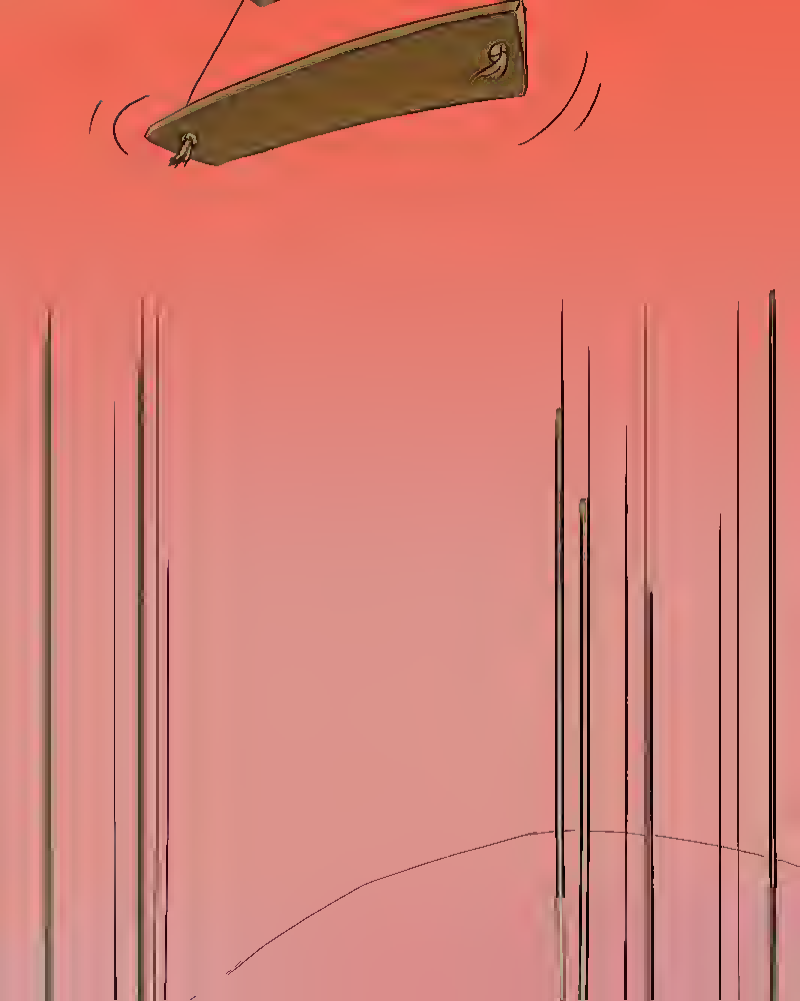
HELIOS : FEMINA

Rhea Oribel





What is this?
Cat Liner
Whoa,

these books are fascinating.
Can I borrow one?

No, you'll lose it like all the others!
And that one's really rare!

This is true...

Can I sleep with him tonight?

Only if you promise
to take good care of him
and not lose him!

I promise!

We found you something!

No way!
A portable cd player!

WAAA

mkgnaaa

Did

you all eat yet?
We want to eat with you!

mmhmm!

They made pizza? Awww man!
There's only one slice left.
You thinking what I'm thinking?
Yup.

Paper...
Rock...
Scissors!!

Here ya go Jet!

WTF

Rhea, when can you take us up to Axis Mundi?
You wouldn't want to go. It's overrated.
But I took more videos of their sunrise since you love it so much.

but I've seen all the best sunrise videos from Axis Mundi... I wanna see it in person!
Don't lie. You just want to see Ash.
So? His music

is good.

Then you should audition for a position at White Raven and work there like Rhea instead of Raven Core.

What's the difference?

Raven Core is Axis Mundi's military. White Raven is their entertainment division.

Maybe Rhea can help me become a musician like her!

I would die happy if I met Ash!

Who cares about Ash. Think of the technology up there. And the food!
mmmhmm, someone's jealous.
weheee!

Axis Mundi
means the center of the world.

A sanctuary
between heaven and earth...

If God is in heaven,
and humans on earth, what does that
make those who live on
Axis Mundi?

Ghosts?

Okay, I have to head to work!
Time for bed!

Rhea, can you sing for us?

If I concentrate
hard enough, my voice can
put people to sleep...

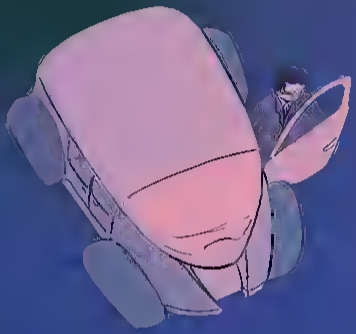
but sometimes...
it does other things that are
out of my control...

It was so long ago...
a time before The Fall.

It happened so fast.

One moment
Chloe was running

the next...

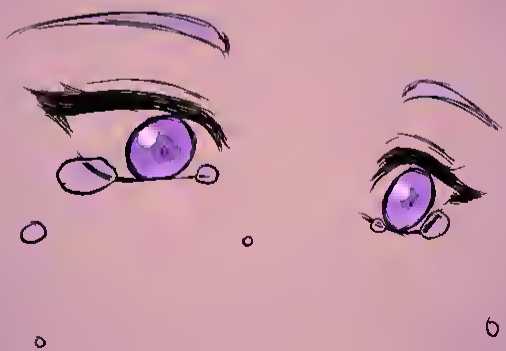


They say
when you're close to death,
your sense of hearing is the last to go.
...so I sang to her...

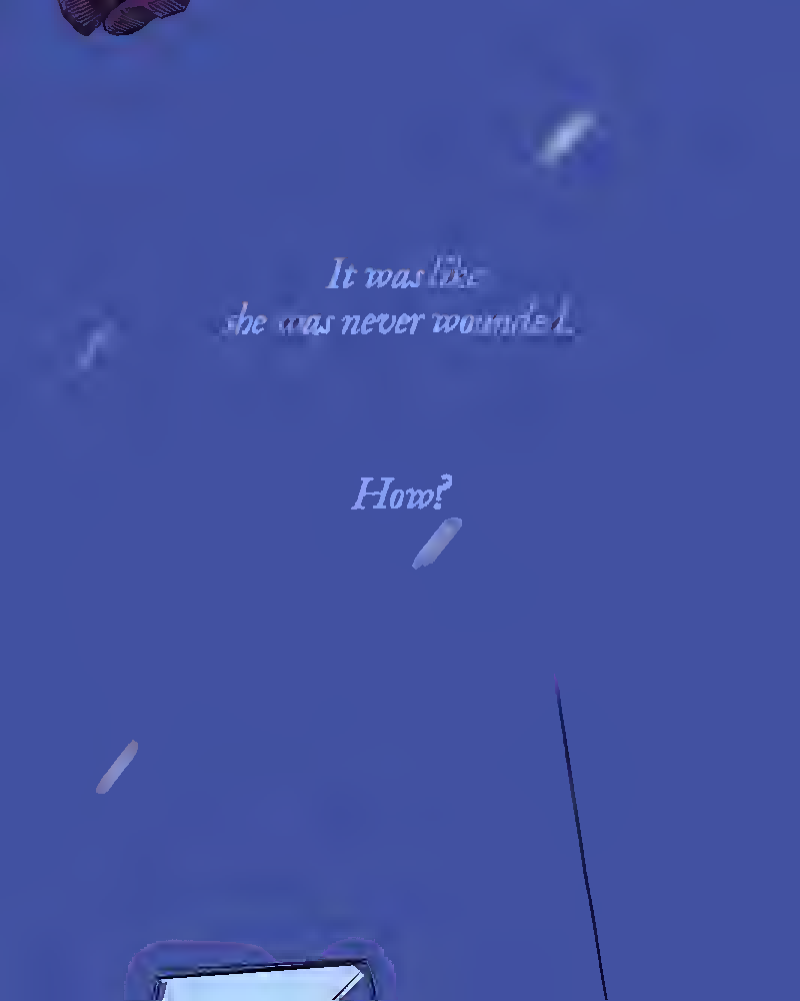
I thought...

at least my voice is the last thing she'll hear...

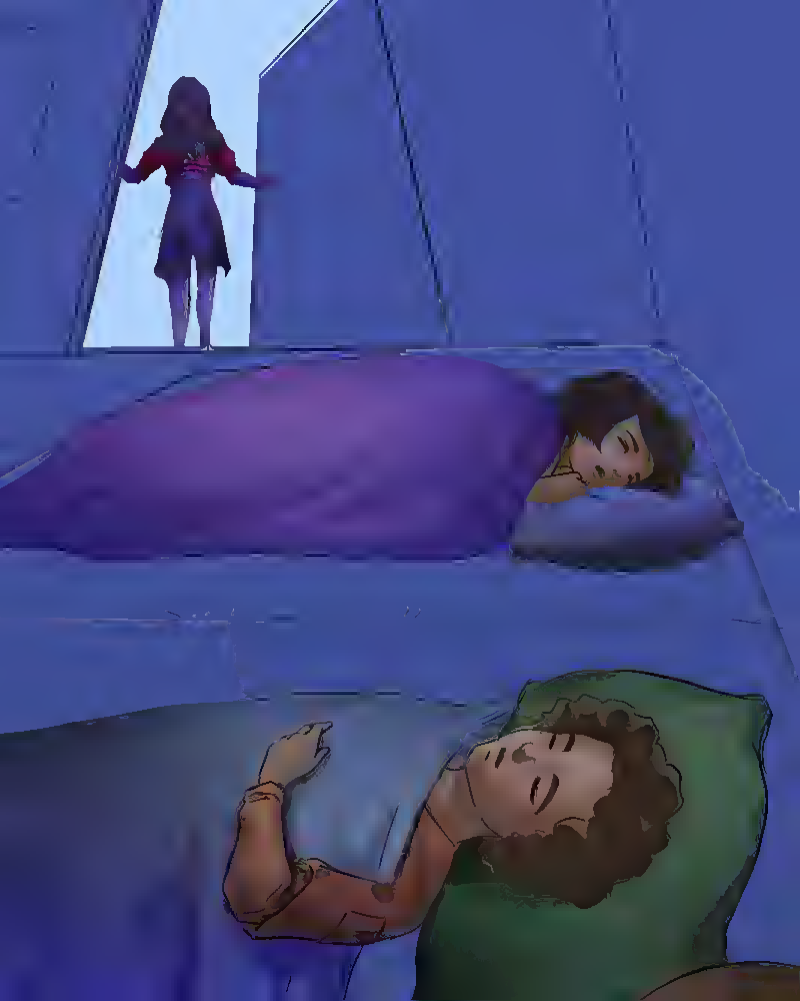
and then a miracle happened.



ARF
ARF



It was like
she was never wounded.
How?



Still to this day,
after countless books and hours online
searching, yet... no answer.

Will I ever find
the truth to my questions?

Who am I?

No.

What am I?

...and where did I come from?

Good night Mom.
